PUBLIC HEARING ON LAKEFRONT REDEVELOPMENT PLAN

Milwaukee, WI – Milwaukee County Supervisor Gerry Broderick has announced that the County Board's Parks, Energy & Environment Committee will hold a public hearing on the recommendations from Milwaukee County's Long-Range Lakefront Planning Committee.

The Planning Committee, chaired by Parks Director Sue Black, forwarded the recommendations to the County Board in August. The plan includes a vision for the lakefront near downtown Milwaukee, including possible redevelopment of O'Donnell Park, the Downtown Transit Center and access to Lincoln Memorial Drive from the Hoan Bridge and I-794.
